INSTRUCTIONS FOR PURCHASING FIREARMS:

STEP 1 - Add your firearm(s) to your cart and check out.

STEP 2 - Select a Federal Firearm Licenced (FFL) dealer to receive our shipment and arrange for transfer. To find a list FFL dealers in your area, check our website at SilverBullet.com. Only serial numbered firearms need to be shipped to a FFL holding dealer. The remainder of your order will be shipped directly to you. Please note that the firearm(s) will not be reserved until payment and a signed copy of a dealer's FFL have been received.

STEP 3 - Have a signed copy of the Dealer's FFL license sent to SilverBullet.com along with this form. Fax to 866.412.5028 or scan and email to FFL@SilverBullet.com. Your firearm will then be processed and shipped to the FFL dealer. An email will be sent with the package tracking information. You are responsible for tracking your package and contacting your dealer to arrange pickup. Transfer, paperwork and background fees will usually apply.
